Frequently Asked Questions

- Q** If my horse dies, who will determine the fair market value of my horse?
A The burden of proof of value falls to the insured. Bill of sale, show & breeding records or a third party opinion provided by a trainer/professional in the industry all help to establish value at the time of the death.
- Q** What is covered by Government ordered destruction?
A Reportable disease. This insurance covers up to two times the amount that the Government provides under "Compensation For Destroyed Animals Regulations" as published by CFIA. The loss amount that the policy will pay will not exceed the actual fair market value of the horse, or the policy limit – which ever is the lesser.
- Q** I need more coverage than this policy provides – where can I get it?
A We offer many products designed to meet the needs of horse owners. Please contact our office for additional information.
- Q** What to do in the event of a death claim?
A Do not remove the carcass until a veterinarian has confirmed the cause of death. Call our office, we provide 24/7 claims assistance service.
